SNORKELING

Find out more about the Vico Caverns or also the awesome Regina Giovanna natural swimming pool in Sorrento. Find out their sounds, their light colours and their marine creatures in this unique place in the world.

Everybody can practice Snorkeling indiscriminately, but the only requirement is a good health. An expert specialized underwater guide will accompany you and you'll find out breath-taking panoramas where really important natural significance live. Vico Caverns represent a particular and suggestive place with no risk for hikers in which you can admire the various layers of calcareous rocks.

I Bagni della Regina Giovanna, that is a historical Roman dwelling whose ruins are on the Punta del Capo coast in Sorrento. Here you'll go in through an opening in the cliff, in a natural swimming pool, and you'll bathe in the same water of the Roman Queen.
